

Prepare for the 2008 Fire Season

Photo compliments of www.wildlandfire.com

The Eastern Idaho Interagency Fire Center in coordination with Eastern Idaho Technical College (EITC) is presenting the annual Fire Refresher Training course. This four hour course will be offered at EITC on Saturday, April 12, 2008 and Saturday, April 26, 2008 from 8:00 – 12:00. The cost of the course will be \$35.00 per individual. Anyone interested in contracting or operating equipment for the 2008 fire season must attend this course. Types of equipment contracted include: dozers, water tenders, buses, pickups, excavators, stake side trucks, etc.

To register for this course, contact EITC directly at 208-524-3000. For more information on contracting equipment, contact Tonya Groth or Jackie Young with the Caribou-Targhee National Forest at (208) 524-7500. For additional contracting information, visit our website at www.idahofireinfo.blm.gov/east. Click on *Contracting*.
